EDUCATION

1973 – 1978: Laurea, Discipline Economiche e Sociali; Università L. Bocconi, Milan, Italy
1981 - 1983: Research Scholar, Department of Statistical Sciences, University College London, UK

ACADEMIC APPOINTMENTS

2011 - present: Full Professor of Statistics, Università Cattolica del Sacro Cuore, Milan, Italy
2019- present: Head, Department of Statistical Sciences
1990 - 2011: Full Professor of Statistics, University of Pavia, Italy
1987 - 1990: Associate Professor of Statistics, Università L. Bocconi, Milan, Italy
1982 - 1987: Assistant Professor of Statistics, Università L. Bocconi, Milan, Italy
1979 - 1981: Research Associate, Università L. Bocconi, Milan, Italy

TEACHING AND POSTGRADUATE SUPERVISION

Lecturer of a variety of academic courses (undergraduate, graduate, PhD) in the broad area of Statistics, mostly in Italy and occasionally abroad.

I have supervised approximately 50 MSc students, 8 PhD students, and 7 postdocs.

Founder (2016) and Program coordinator of the Master in Data Science for Management, Università Cattolica del Sacro Cuore, Milan (2016-2023); then member of the executive board.

Founder and Program coordinator of the MSc (Laurea magistrale) in Data Analytics for Business, Università Cattolica del Sacro Cuore, Milan (2017-2024).

Member of the executive board of the PhD program in Statistics (now ECOSTATDATA), Università Milano-Bicocca (since 2012).

Founder and co-director (with Fabrizio Ruggeri) of the Applied Bayesian Statistics School (2004-2021).

Member of the PhD program in Mathematics and Statistics, University of Pavia (2005-2010).

External examiner in Phd committees: Department of Mathematics and Statistics, University of Helsinki (2018); Biostatistics Department, University of Zurich (2018-2022).

RESEARCH

Bayesian statistics; Prior distributions; Graphical models; Bayesian networks; Bayesian experimental design; Causal inference; Model selection; Replication studies.

I am the author of over 80 scientific publications, among which about 50 articles appeared in peer-reviewed international journals.

INVITED TALKS AND SEMINARS

Over the years I have delivered over 30 invited talks and seminars at a variety of conferences, workshops, and universities.

HONORS AND VISITING POSITIONS

Fellow, International Society for Bayesian Analysis (2024)

Elected member, International Statistical Institute (1993)

Athens University of Business and Economics, Athens, Greece; Universitat de Valencia, Spain; University of Helsinki, Finland; Texas A & M University, College Station, TX, USA; Rice University, Houston, TX, USA; University of Granada, Spain; University of Southampton, UK; Columbia University, New York, NY, USA; University of New Mexico, Albuquerque, NM, USA; York University, Toronto, ON, Canada; University of Florida, Gainesville, FL, USA; Université de Pau e des Pays de l'Adour, Pau, France (2007); University of Warwick, Coventry, UK.

FUNDED RESEARCH PROJECTS (since 2005)

2023-2025: Italian Ministry of Education, Research and University: National Research Projects (PRIN) *Complex graphical models for biological network science*. Local coordinator (Università Cattolica unit)..

2019-2023: Swiss National Science Foundation –*Reverse-Bayes design and analysis of replication studies*. Project partner (Principal investigator Leonhard Held, Department of Biostatistics, University of Zurich).

2007-2009: Italian Ministry of Education, Research and University: National Research Projects (PRIN) *Graphical models and models with latent classes, with applications to education and health*. National coordinator (PI).

2005-2007: Italian Ministry of Education, Research and University: National Research Projects (PRIN) *Marginal models for categorical variables with application to causality*. National coordinator (PI).

SERVICE TO THE PROFESSION

Conferences

Organizer, Invited Session on Which future for ISBA conferences? ISBA World Meeting, Venice, Italy, July 2024.

Organizer, Invited Session on Bayesian experimental design for causal inference ISBA World Meeting, Montreal, Canada, June 2022.

Chair, Objective Bayes Section of the International Society for Bayesian Analysis- (2018-2019)

Organizer, Invited Session on Graphical Models an Prior Information, ISBA World Meeting, Edinburgh, UK, June 2018.

Member, Scientific Committee, International Conference on Probabilistic Graphical Models, Lugano, Switzerland, September 2016.

Organizer, Special Topic Session, International Society for Bayesian Analysis World Meeting, Sardinia, Italy,

June 2016.

Member, Scientific Committee, 3rd Meeting on Statistics, Athens, Greece, June 2015.

Organizer, Special Topic Session, Fifth IMS-ISBA Joint Meeting (MCMSki IV), Chamonix, France, January 2014.

Member, Scientific Committee: First Athens-Pavia Meeting on Statistics, Mati, Attica, Greece, June 2008.

Chair, Local Organizing Committee, Second European Conference on Highly Structured Stochastic Systems, Pavia, September 1999.

Scientific societies

Chair: Objective Bayes Section of the International Society for Bayesian Analysis (2018-2019)

Editorial activity

2007-present: Associate Editor, *Statistics Surveys*

2006 - 2009: Associate Editor, *Bayesian Analysis*

2005 - 2008: Associate Editor, *Test*

Peer-review of scientific papers

Annals of Statistics, Bayesian Analysis, Biometrika, Canadian Journal of Statistics, Journal of Computational and Graphical Statistics, Journal of Machine Learning Research, Journal of Multivariate Analysis, Journal of Statistical Planning and Inference, Journal of the American Statistical Association, Journal of the Royal Statistical Society B, Journal of the Royal Statistical Society A, Journal of the Royal Statistical Society C, Scandinavian Journal of Statistics, Statistical Science, Test.

Peer-review of research projects

European Union Programs (FP6, FP7, H2020), and several National Research Councils: Israel, Canada, NSF (USA), NOW (The Netherlands), FWO (Belgium), National Science Foundation (Switzerland); Research Assessment VQR (Italy, 2004-2010- GEV 13).

SCIENTIFIC SOCIETIES

Royal Statistical Society, Institute of Mathematical Statistics, American Statistical Association, International Statistical Institute (elected member), International Society for Bayesian Analysis, Società Italiana di Statistica.

SCIENTIFIC NETWORKS

Highly Structured Stochastic Systems (HSSS) funded by the European Science Foundation (1993-1995)

COSTNET: the European Cooperation for Statistics of Network Data Science - COST Action CA15109 (2016-2020).
